**Kathy Lamancusa : Flowers Are Forever: A Glorious Garden of More Than 100 Inspirational Stories** before purchasing it in order to gage whether or not it would be worth my time, and all praised Flowers Are Forever: A Glorious Garden of More Than 100 Inspirational Stories:

1 of 1 people found the following review helpful. UpliftingBy PetalI have read and re-read this book, each time

coming across a new insight. I would highly recommend this to anyone who loves flowers. 0 of 0 people found the following review helpful. very pleased. By LoveBooks This book was sent as a gift and was exactly as described. Recipient was very pleased. Service was quick and reliable. 1 of 1 people found the following review helpful. flowers are life-changing. By Bryan I know people don't want to admit it (especially guys) but the smell and the appearance of a pretty flower can change your mood. You can have the worst day of your life, smell a pretty flower, and feel all better before you go to bed that night. I myself have had fascinations with flowers since I was a young man, and the feeling of loving flowers never went away (and I hope it never does). There's so many amazing flowers out there, all with their own unique appearance and smell, and it makes life more interesting. This book is about stories of how flowers have changed peoples lives. For some people flowers are very important, and this book will allow you to open your mind and help you see flowers in a new light.

A stroll through a garden for the soul. Christenings, courtships, and weddings...graduations, parties, and parades...anniversaries, birthdays, family gatherings...Occasions like these are made more special by the beauty of flowers -- a gorgeous orchid, a wreath of sweet violets, daisies handpicked by a child, a perfect rose grown and given with love. In "Flowers Are Forever," Kathy Lamancusa celebrates the countless ways that flowers enrich our lives and touch our hearts in this bountiful bouquet of true and inspiring stories. An accomplished author and teacher, Lamancusa has shared the joy of flowers with thousands of people. Now, she has collected more than 100 true stories about flowers -- some of them written by individuals who make their living by selling, arranging, and delivering flowers for just about every occasion imaginable, others by ordinary people who have been moved by the gift of an iris, a tulip, or a lily. Inspiring, funny, romantic, or poignant, these stories are as unforgettable as the scent of your favorite blossom.
