Morris Benz, James L. Johnson : Flowers: Geometric Form before purchasing it in order to gage whether or not it would be worth my time, and all praised Flowers: Geometric Form:

0 of 0 people found the following review helpful. A Vintage Treasure For A Floral Artist.By Brian GathrightGreat textbook but it's not designed for a novice.It has a plenty of information if you are teaching a class in floral design.If you had an Art of Design background it would be perfect.

FLOWERS: Geometric Form is a classic in floral design. The book is invaluable to the professional and the amateur with its 336 pages of descriptive analysis and 482 photographs and 214 sketches. Mr. Benz has provided complete exhaustive coverage on: Principles of Floral Art, Flower Arrangement, Corsages, Weddings, Funeral Work, Dressing of Potted Plants. This book is matchless in theory presentation--complete in step-by-step aids.
