Jane Alford, Dorothea Hall, Shirley Watts : Flowers in Cross Stitch before purchasing it in order to gage whether or not it would be worth my time, and all praised Flowers in Cross Stitch:

Good designs but charts are too smallBy Sam's folksWith better charts I would have given this book 5 stars, but the charts for the larger designs are very small and not easy to read. If you don't have easy access to a photocopier or scanner to increase the size, I wouldn't recommend this book.If you like to stitch flowers, I think Jayne Netley Mayhew's Cross Stitch Flowers is the better choice.

This is a collection of floral cross stitch designs, including wild flowers, country garden flowers, flowering herbs and tropical flora. All of the designs are incorporated in various projects for the home, ranging from an almanack calendar, a needlework box to a wallhanging.
