Moniek Vanden Berghe : Flowers in Love 4 (Dutch, English and French Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Flowers in Love 4 (Dutch, English and French Edition):

A superb attention to detail, unsurpassed craftsmanship, an emotional understanding of her clients, a dislike of overcomplicating things and a mind that never stops seeing new opportunities and ideas. These are only a few of the characteristics that made and still make Moniek Vanden Berghe the number one and trendsetting floral designer as far as bridal arrangements are concerned. And as time goes by, as is the case with many talented people, Moniek only seems to become more determined, more focused, more passionate. The colorful array and the diversity of the bridal bouquets, corsages, table arrangements, head pieces, and other decorative wedding designs compiled in Flowers in Love 4 demonstrate that Moniek is one of these artists whose well of inspiration never runs dry, on the contrary, it only flows more vigorously. Packed with fantastic new designs, this fourth book in the Flowers in Love collection will prove once again to be a goldmine of inspiration for aspiring florists and brides alike.
