Allan Swenson : Flowers Of The Bible: And How to Grow Them before purchasing it in order to gage whether or not it would be worth my time, and all praised Flowers Of The Bible: And How to Grow Them:

3 of 3 people found the following review helpful. Flowers of the BibleBy Garden LadyThis is a very interesting book and contains a lot about Biblical plants and how to grow them. A very good garden book for someone interested in flowers mentioned in the Bible. It even gives you a list of Bible Gardens that you can visit in the United States.1 of 1 people found the following review helpful. Super book - but now it's out of print - ...By Rebekah C. MuscoreilSuper book - but now it's out of print - sure hope they will re-print and stock it - want to give as gift to gardening friends.0 of

0 people found the following review helpful. Five StarsBy CustomerExcellent book on the topic.

Here it is; the rare family gardening book that stimulates scriptural contemplation and affirms your gardening success. Gardening expert Allan A. Swenson turns America's number one family hobby into a spiritual as well as a growing experience with this comprehensive guide to creating and cultivating biblical gardens. He generously provides a wealth of important facts, growing tips, and useful information, including: -Complete lists of biblical flowers with scriptural references and the significance of each flower -Garden design and soil preparation -When, where, and how to plant and cultivate flower beds and borders, prayer and meditation areas, family memorial spots, and fragrant indoor accents -Free gardening catalogues and Web sites to explore -Resources and sources for plants, bulbs, seeds, and supplies, including suppliers, specialists, and horticulturists Flowers of the Bible also provides you with a guide to biblical gardens of the United States and around the world, with Web site addresses for virtual tours, and a full chapter on the Biblical Garden Preserve near Tel Aviv.

About the AuthorALLAN SWENSON is a former U.S. Intelligence Officer, trained in the U.S. Army as an Airborne Combat Intelligence officer. In this capacity, via the CIA, he participated in a number of clandestine missions. He is a lifetime member of the Association of Former Intelligence Officers, and is one of the founders of its active New England chapter.
