Christine Petrell Kallevig : Folding Stories: Storytelling and Origami Together As One before purchasing it in order to gage whether or not it would be worth my time, and all praised Folding Stories: Storytelling and Origami Together As One:

0 of 0 people found the following review helpful. Great productBy Len KachmarThis is a great teaching tool for the classroom. It makes origami even more exciting than it already is and helps develop an active imagination in children.

93 pages including index, stories to tell to young children and illustrate with origami figures you fold as you go, text of the stories and bw illustrations showing how to fold the figures
