I bought it for her for Mother's Day and she was thrilled with it. I've seen the original and preferred that one for the look and texture of the pages, but it would be so hard to find one in good condition -- and the price on this one was perfect for me. This appears to be made of scans or photos of the original pages so it lacks a little of the charm, but it looks great. I also like that this isn't too delicate to share with the kids, as the original would be -- mine thought it was funny.0 of 0 people found the following review helpful. Collie ComfortBy Christine Jordan Christine JordanI had this lovely Golden Book when I taught elementary school . Besides being a collie fancier and owner of these lovely dogs, I was able, through this story,to teach in a meaningful way, the 4 seasons of the year. I lost track of the book when I retired 7 years ago. I know it's in storage, where I don't know. So I looked it up and voila, found it. I paid way too much(nearly\$ 50.00) . But I now have it. Not everyone would pay that outrageous price but to me , I didn't care. Too expensive , is the word of the day!0 of 0 people found the following review helpful. SentimentalBy SpydeeThis was one of about 50 Little Golden Books that my parents read to me NIGHTLY. We have always joked about the "silly billies" who cried when the leaves fell from the trees. I am now 55 years old. I sent BOTH of my parents a copy of this book. They LOVED the sentimental SURPRISE. What's funny is,

I have a habit of calling MY precious dogs " Silly Billies"
