Tracy Warrington : Fractal Cross Stitch Pattern - No. 130 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fractal Cross Stitch Pattern - No. 130:

Fractal cross stitch patterns are one of the hottest trends in cross stitch! What is a "fractal"? Fractals are digital art created based on complex mathematical equations. That sounds complicated but the end result is very beautiful, colorful and unique art. StitchX transforms this digital art into cross stitch patterns that are truly works of art when completed. All stitches are full cross stitches. There is no fractional, blended, or backstitches. The design is solidly stitched for exquisite detail. Chart is in large, easy to read black and white symbols. Our books also include a DMC "shopping list" indicating how many of each floss skein needed. StitchX also includes a Project Planning sheet in each book to help you plan your fabric size as well as hints and tips for stitching large designs. Stitch Count: 300 x 245

Finished Size (depending on fabric choice): 14 count (or 28 count over-two): 21.5 inches x 17.5 inches 16 count (or 32 count over-two): 18.8 inches x 15.4 inches 18 count: 16.7 inches x 13.7 inches 25 count (over-one): 12 inches x 9.8 inches 25 count (over-two): 24 inches x 19.6 inches
