Tracy Warrington : Fractal Cross Stitch Patterns (StitchX Fractal Cross Stitch) (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fractal Cross Stitch Patterns (StitchX Fractal Cross Stitch) (Volume 2):

For this collection, we've concentrated on smaller quicker-to-stitch patterns and we've packed a lot in this 132 page e-book. All of the patterns in this book are the same size so making a matching set would be easy and an incredibly amazing project. All stitches in each of the twelve patterns contain only full cross stitches. There are no blended stitches, fractional stitches or backstitching. The exquisite detail is created by utilizing lots of DMC colors and the end result is very well worth it. Each pattern's stitch count is 113 x 201. Finished Sizes: 14 count (or 28 count over-two):

8.1 inches x 14.4 inches 16 count (or 32 count over-two): 7.1 inches x 12.6 inches 18 count: 6.3 inches x 11.2 inches 25 count (over-one): 4.6 inches x 8.1 inches 25 count (over-two): 9.1 inches x 16.1 inches The number of DMC colors used varies from 22 to 100. Each pattern is accompanied by it's own "Shopping List" which lists all floss colors and an approximation of how many skeins you will need when multiples are needed. A project planner page is included at the back of the book as well. The project planner helps you to decide what size fabric you need in addition to other preparations for your project.
