Tracy Warrington : Fractal Cross Stitch Patterns (StitchX Fractal Cross Stitch) (Volume 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fractal Cross Stitch Patterns (StitchX Fractal Cross Stitch) (Volume 3):

1 of 1 people found the following review helpful. Great patternsBy Kimber LLove the unusual patterns. They are not for the beginner though. There are lots of colors and symbols to follow over multiple pages. These are not quick projects, but beautiful.0 of 0 people found the following review helpful. One StarBy CrestedmomMissing pages0 of 1 people found the following review helpful. Smaller portions of fbs larger patternsBy Karin A MitchellKarin A Mitchell

Fractal cross stitch patterns are one of the hottest trends in cross stitch! All of the patterns in this book are the same size so making a matching set would be easy and an incredibly amazing project. All stitches in each of the twelve

patterns contain only full cross stitches. There are no blended stitches, fractional stitches or backstitching. The exquisite detail is created by utilizing lots of DMC colors and the end result is very well worth it. Each pattern's stitch count is 113 x 201. Finished Sizes: 14 count (or 28 count over-two): 8.1 inches x 14.4 inches 16 count (or 32 count over-two): 7.1 inches x 12.6 inches 18 count: 6.3 inches x 11.2 inches 25 count (over-one): 4.6 inches x 8.1 inches 25 count (over-two): 9.1 inches x 16.1 inches The number of DMC colors used varies from 31 to 100. Each pattern is accompanied by it's own "Shopping List" which lists all floss colors and an approximation of how many skeins you will need when multiples are needed. A project planner page is included at the back of the book as well. The project planner helps you to decide what size fabric you need in addition to other preparations for your project.
