Gayle Bird : Freeform Wire Art Jewelry: Techniques for Designing With Wire, Beads and Gems before purchasing it in order to gage whether or not it would be worth my time, and all praised Freeform Wire Art Jewelry: Techniques for Designing With Wire, Beads and Gems:

5 of 5 people found the following review helpful. Excellent book!!!!By Heather KayI have done wire wrapping many times, but this was a lot more relaxing and fun. The results were awesome. I think mine were equally as beautiful as Gayle's, because that is how well this book was thought out and put together. Great for a beginner and an expert in wire wrapping. Very fun!2 of 2 people found the following review helpful. I was so pleased to find this book on By VickyI was so pleased to find this book on . I originally saw it at my local craft store at a significantly higher cost. The

book arrived in perfect condition. It has very clear and easy to follow instructions with lots of photographs. Perfect book for someone looking to expand their jewelry making skills. 0 of 0 people found the following review helpful. Five Stars
By milktoasteasy to follow instructions

Twist, curl and wrap wire into one-of-a-kind jewelry! Follow along with author Gayle Bird as she teaches you everything you need to know to create her signature jewelry designs. First learn the basics of color and design, then move into essential wire tutorials. From there, you'll work your way through 20 step-by-step jewelry projects, including earrings, rings and necklaces. By the time you finish the book, you'll be ready to design your own statement jewelry, complete with swirling wire and dazzling gems. Features: Tutorials on the essential wire techniques, including spirals, curls and more. Chapter on design gives the foundation for creating unique pieces. Step-by-step directions for 20 projects.

"You can effortlessly work your way through Gayle's book, *Freeform Wire Art Jewelry: Techniques for Designing With Wire, Beads and Gems* because she covers the basics of wire jewelry making, techniques involved in wire jewelry making and clear and easy step by step instructions to her very own beautiful signature designs!" --Handmade Jewelry Club
"This book will suit those who like a more organic look to wire work and aren't afraid to go with the flow for spontaneous designing!" --Beading Gems
"The book spans 144 beautiful pages, and contains 20 projects of earrings, rings, pendants, necklaces, and even a chain. The book itself is a high quality paperback with the kind of spine that lays pretty flat so that you can have it open on your workbench while you work through the steps." --The Blue Bottle Tree
"Having now read *Freeform Wire Art Jewelry*, I am quite confident that with a little practice, and a lot of patience, I could conceivably create pieces that were not only appealing, but original and quite worth the effort. And I think I would enjoy it, too." --Like Madness in the Spring
